

Question 1:

How will you approach this problem, provide a flow chart that has complete coverage. Paste your flow chart in single page for better viewing.

My PrintGame() is working fine but not giving me a test successful message

```
27 INFO:root:<class '__main__.TestPrintGame'>: Undecided Provide Screenshots and Recordings.  
28 INFO:root:done.  
29 INFO:root:Your total is 15  
30
```
